**Gist of the programme** : As the students were distributed in their respective stray groups during these days the cleanliness mission was carried out in the respective schools. The trainees participated in the various activities done by the school which included cleaning of the playground, classroom, corridor, activity rooms and stairs. All the students and the trainee teachers showed enthusiasm in this mission. The group guides and the teachers of the school also participated in the mission by cleaning the staff room.

Various officials had come to supervise this mission in the schools who were satisfied to see the interest in the students about cleanliness of their school. Back at A.G Teachers College the administrative staff also did cleaning of the campus and their offices.
