- (b) What is the message in a poetry 'stopping by woods on a snowy evening' ?

(B) Read the following passage and answer the questions given below: (4)

Though Antonio had a large fortune, he had, at that time, no ready money to give Bassanio, because he had invested all of his money in trade. His ships, carrying rich cargoes, had gone abroad, and they would take some time to get back to the port of Venice. However, being very eager to provide his friend with the money he needed, he decided to borrow the sum from an old Jew called Shylock.

Now Shylock hated Antonio, and the causes were more than one. Antonio used to lend money to people free of interest, and this spoiled the other Christians of Venice disliked the Jews and frequently insulted them in public places. Antonio seemed to hate Shylock even more than the other did. Indeed, many a time, Antonio had called Shylock 'dog' and spat upon him. No wonder, therefore, that Shylock bore deep bitterness against him and was waiting for the opportunity to take his revenge.
