

REPORT

Title : Right to Information of Human Right

Date : 28/01/2016

Dept : Social dhara

Venue : A.G.Teachers College

Co- Ordinated by : Dr.Kaushal Yadav

Guest :

Gist of program,

An awareness program on the human rights was held by our college throwing light on the duties of a citizen and his rights. They showed us a video where people fought for justice and rights through writing a letter to the RTI office. There are RTI activists who help people to know where they can get information and have right to information. Activist Jigneshbhai gave us deep knowledge about the need of RTI and how to write an RTI letter.

The Advocate gave us knowledge about how we the citizens need to be awakened towards the upbringing of society and nation. If the addressed government firm doesn't respond to the RTI letter; we can file a petition in court for the right of information. The students were involved completely throughout the program. They even questioned with the accordance to the program. It made the students feel enlightened about their rights and duties.

Vote of thanks: Dr. P.V.Patel
