

Annual Report of the Centre for Pedagogical Innovation of the year 2022-23.

As the coordinator of the Centre for Pedagogical Innovation (CPI), I am immensely pleased to submit the Annual Report summarising activities organized based on our Vision and Mission for the year 2022:23. The report encompasses our initiatives, achievements, challenges, and plans. The CPI has been happy enough to organize various innovative activities under the motivation, in-depth continuous guidance, and unstinted support of the director of the same.

The academic year 2022:23 was hectic in Planning and organizing various academic activities under the banner of various portfolios headed by each faculty member of the college so the CPI was able to organize some of the activities which are summarised and noted below.

(1) A.G .Teachers College organized pedagogical competitions aiming to Grasp Inventive teaching maths, accountancy, and methodology for Trainee-teachers of all education colleges across Ahmedabad city under the aegis through the launch of the Centre for Pedagogical Innovation from 08:45 am onwards on 10th October 2022. The competition was divided into two sections. Section 1 Teaching of Mathematics through Experiments and Section 2 Teaching of Accountancy and OCM through flash cards. 12 participants from different B. Ed colleges of Ahmedabad took part in both sections. The report along with some snapshots was uploaded on social media platforms too.

(2) An Academic Poster Exhibition on course paper CUS:3 Inclusive Education followed with a presentation was organised by the trainees of semester: 3 guided by Dr.G.S Patel, under the banner of CPI at AGTC on 19-11-2022. The main objective of the presentation was to learn teamwork management and how to present own content innovatively.

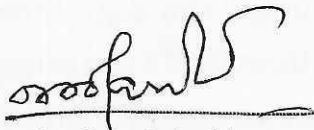

(3) An Innovative Pedagogical Activity titled 'Fishbowl ' aimed at how to learn multiple subjects like Civics, Science, and Environmental studies outside the classroom with the help of peer learners with the innovative method was delivered by Abhishek Vaghela & Priyanshi Shah, trainees of AGTC on 24-01-2023.

(4) Tranees of the semester: 2 participated in the Commerce Exhibition on 1st April 2023. The main objective of the program was to provide live( practical) demonstrations connected with daily life situations for their teaching career. 14 participants prepared charts, with pictures, models working models, products, documents, specimen copies, and online PPT presentations through different websites. The whole program was motivated by Dr. K.H Yadav and guided by Dr. R.C Patel and Dr. N. U. Dhodi.

**Proposed activities to be organized in the year 2023:24.**

The CPI is committed to organizing seminars, workshops, webinars, and FDPS for Teacher - educators, Trainee-teachers, and teachers in the area of Pedagogical Innovation.

The CPI has also planned various training programs, seminars through the mode of online /offline, and some pedagogical competitions.
