Early Childhood Special Education Needs

Are you looking to understand the role that early childhood education can play for children with special needs? In this course, we discuss the importance and components of special education during early childhood. We first outline the characteristics of children with special needs and explain how education can cater to those needs. We then go over some legal and social aspects of special education to help you understand its progress through various stages during childhood.

Modules Studied

Module 1: Special Education in Childhood

Module 2: Inclusion and Special Education

Module 3: Course assessment
