With a wonderful PowerPoint Presentation, he exemplified what does NEP includes, what type of vision are there in NEP, principles of NEP and much more.

Shortly after the release of the policy, the government clarified that the language policy in NEP is a broad guideline; and that it was up to the states, institutions and schools to decide the implementation. A more detailed language strategy would be released in the National Curriculum Framework in 2021. Note was also made

  
I/C Principal

that there were already institutions which had implemented this language policy 60 years ago such as Sardar Patel Vidyalaya. Both the Education Policy of 1986 and the Right to Education Act, 2009 promoted usage of the mother tongue too as an advisory guideline.

The main goal of NEP 2020 is to ensure opportunity to all children. For gifted children arrangements must be made differently. Education should be focused on conceptual scale rather than rote learning. NEP2020 evaluation system depicts student centric method as well as CCE.

A. G. Teachers college arranged a visit at L. D. Institute of Indology on 15th March 2023. Interns of M.Ed. (Gujarat University) managed and guided the whole visit. The Lalbhai Dalpatbhai Institute of Indology is a unique institution that is dedicated to the preservation, restoration and collection of ancient Indian manuscripts and artifacts. It provides scholars a wonderful opportunity for research and study. Agamprabhakar Muni Shri Punyavijayji Maharaja, besides being a revered Jain saint, was an erudite scholar and a dedicated researcher. He made it his life's mission to ensure that the priceless heritage of manuscripts was properly preserved, studied and made available to the scholars. The top view of the building is of the shape of boat. The whole building is only made of concrete. Not even a single brick is used in construction which gives us the view of engineering marvel. The library consists of a large number of books out of which 5000 books are the rarest books which are not available anywhere. The books are available in 18+ language. 40% of the books available there are religious books. More over trainees also got a chance to have a look of tad patri (palm leaf), Tamra patri (copper plates). Inscription by liquid gold as ink was eye witnessed. The overall Visit was indeed a learning experience. Photography was done by Romil (Sem-2) and Mrunali (Sem-4). Report writing was done by Apurva (Sem-2).
