Identify strengths & weakness of the course

26 responses

No

No weakness

Romil Shah

No

No weakness

Got to know importance of curriculum

Strength- Increased and developed interest as well as knowledge regarding curriculum and its aspects .Enjoyed learning the subject

Weakness- none

Good support by professors

Covered all aspects

For English medium book is not available.only this one is weakness.

Very effective and helpful.

No weakness

The topic is really interesting and important for all teaching exams.

Strength - This course teaches us how to frame proper academic curriculum with keep in mind various factors

Strength : Made curious learning

Weakness : Off topic discussion

This course is very interactive and interesting.

Strength - improved and clear our basic understanding related to curriculum and syllabus

Weakness - still requires real application understanding

It was very good.

Strength: very relevant course with respect to the education

Weakness: course contain some complex terms

Useful for future aspects
