Title : Academic Visit to SOU

Total Participants : 51

Under the heading of G-20, A. G. Teachers College organizes one-day picnic to Statue of Unity, Kevadiya on 28th March, 2023 under the guidance of Dr. G. S. Patel, G-20 coordinator. Total 47 Student trainees and 5 Staff members joined the picnic on that day. We visited Statue of Unity and the Valley of Flower. In the evening student trainees enjoyed the amazing Leaser show. The height of Statue of Unity is 182 meters and the view point is situated at the heart of the statue. When we stand at the feet of the statue we realized the actual height of it. Valley of flower is well maintained by them and they have prepared many selfie points in the garden as per the new social media generation attraction and requirement. We have seen the Sardar Sarovar Dam which is constructed on the river Narmada. It is the tallest dam in Gujarat. The temperature of the atmosphere was high in the afternoon but then also when we visited the statue of unity the coolness was there in the air just because of the river Narmada. Everyone enjoyed this trip and collected a good memories of the life.
