**Total Participants : 600+**

**Vote of thanks : Dr. Nirav Thakker**

A. G. Teachers College-CTE, Ahmedabad organized a webinar "Webinar on " NEP 2020" on 8th October 2022 from 9:30 am to 10:30 am. Zoom meeting link was used for the webinar.

Dr. T.S Joshi , Ex. Director GCERT Gandhinagar and also advisor at deliottte India was the session expert .He very gracefully explained about NATIONAL EDUCATION POLICY. With a wonderful PowerPoint Presentation, he exemplified what does NEP includes, what type of vision are there in NEP, principles of NEP and much more.

Shortly after the release of the policy, the government clarified that the language policy in NEP is a broad guideline; and that it was up to the states, institutions and schools to decide the implementation. A more detailed language strategy would be released in the National Curriculum Framework in 2021. Note was also made that there were already institutions which had implemented this language policy 60 years ago such as Sardar Patel Vidyalaya. Both the Education Policy of 1986 and the Right to Education Act, 2009 promoted usage of the mother tongue too as an advisory guideline.

The main goal of NEP 2020 is to ensure opportunity to all children. For gifted children arrangements must be made differently. Education should be focused on conceptual scale rather than rote learning. NEP2020 evaluation system depicts student centric method as well as CCE.

Dr. K. H. Yadav (taskforce, chairperson, Offg. Principal, AGTC) delivered a welcome speech and played an instrumental role in successful conduction of the webinar.

Dr. Nirav Thakkar, AGTC NEP Taskforce (Member), Principal, AES-AG Higher Secondary School, Ahmedabad proposed a vote of thanks.
