A.G. Teachers College, CTE, Ahmedabad organized a “Drama Workshop” on 24th September, 2021. Dr. K.H. Yadav gave a brief introduction about Ms. Shilpaben Thaker and introduced to us. A small token of love in the form of plant sampling was given to Ms. Shilpaben Thaker by Dr. K.H. Yadav. She made us comfortable by telling her experience in theatre and some acting skills one should have while performing street play. She made us perform some theatre activities through which we can make our body flexible and concentrate music to make our mind stable. She taught 3 main elements of street play in this workshop. Later we were divided into 6 groups and were guided by her for our respective topics. Through her guidance and support we performed our respective plays.

This workshop covered different aspects of acting ranging from movement, voice, props, improvisation and stage knowledge which was very important. Students were given creative freedom to improvise and come up with their own stories which made each and every student very creative about their topic. Everyone participated in given plays with great zeal and enthusiasm.

Dr. K.H. Yadav (I/C Principal) played a key role for successful organization of the programme. It was co-ordinated by Dr. R.C. Patel. Dr. G.S. Patel, Dr.

Valley of flower is well maintained by them and they have prepared many selfie points in the garden as per the new social media generation attraction and requirement. We have seen the Sardar Sarovar Dam which is constructed on the river Narmada. It is the tallest dam in Gujarat. The temperature of the atmosphere was high in the afternoon but then also when we visited the statue of unity the coolness was there in the air just because of the river Narmada. Everyone enjoyed this trip and collected a good memories of the life.
