AHMEDABAD

2. Administration:

1. All important administrative information including notices is regularly published in whatsapp group of staff and students.
2. Biometric attendance for all staff members
3. Due to pandemic, there was an extensive use of internet for online classes. So management installed dedicated uninterrupted 24x7 internet connectivity through Wi-Fi.
4. Google forms are created to collect the data of students.
5. MS office is extensively used in collecting, organising and dissemination of data of staff and students.
6. To prepare Feedback forms and get online feedbacks of Students.
7. The college campus is equipped with CCTV Cameras installed at various places.

Information is given to students via WhatsApp Group

Student Data is collected through Google Form.

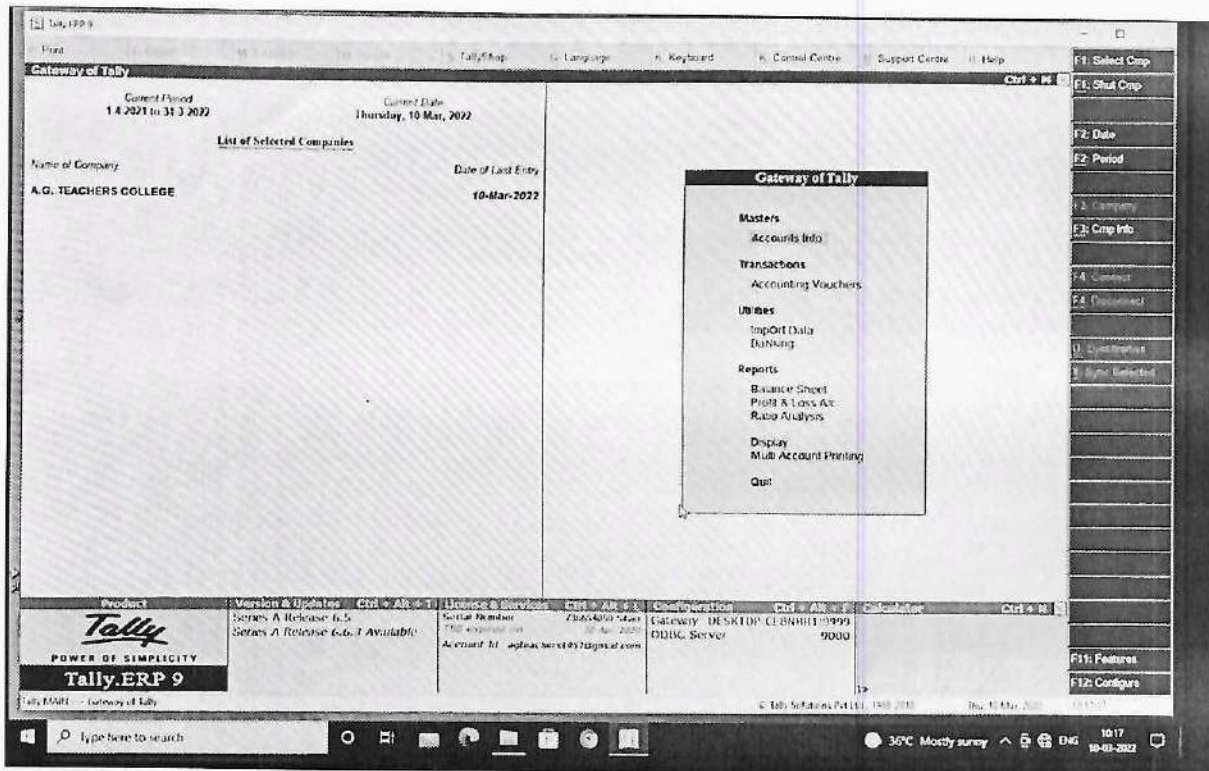

Grid of CCTV Camera

3. Finance and Accounts

1. The accounts of the institution are maintained through the Tally software.
2. Registration fee for events are accepted through online mode.

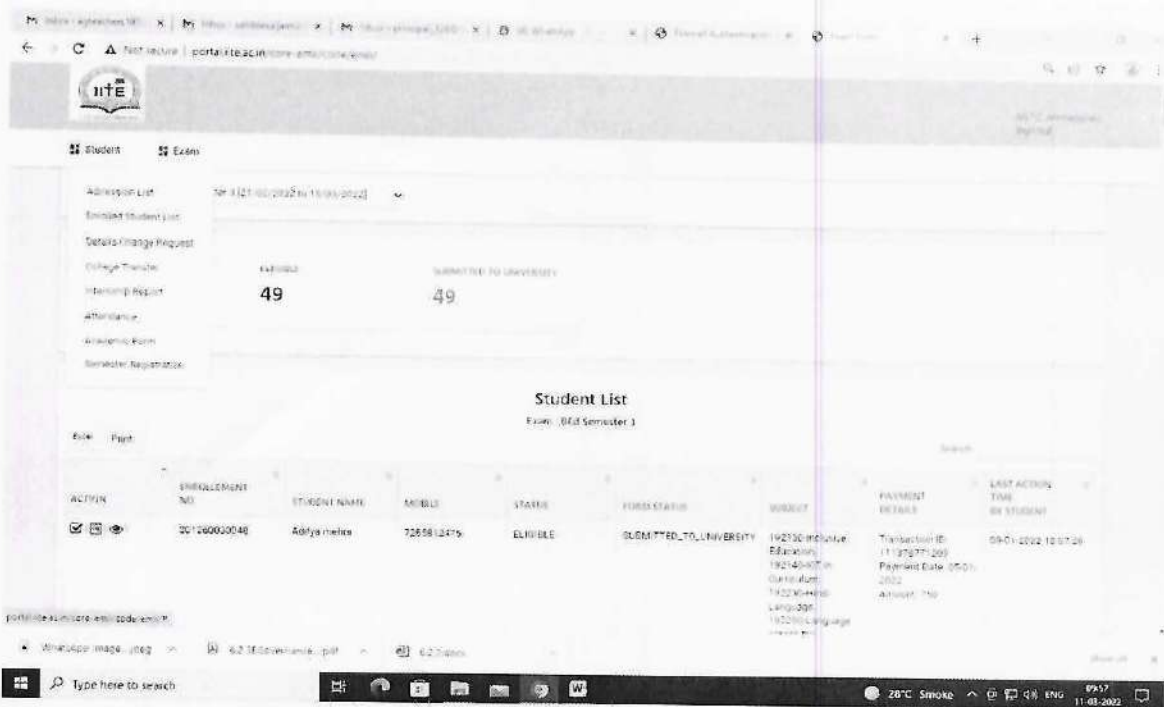

Licensed Version of TALLY Software

4. Student Admission and Support

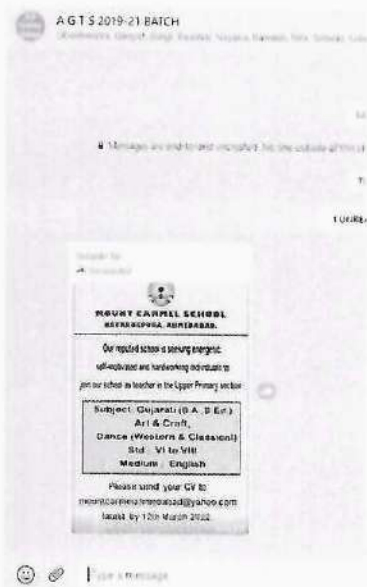

1. Student seeks admission from the university central admission cell and fills the form of the college after taking the admission. Google form is created by nonteaching staff to collect the entire data of the student which is directly captured in MS Excel.
2. University ERP is used for regular communication with university.
3. Whatsapp groups are created for smooth functioning with students.
4. Google classroom are created for submission
5. MOODLE is used for creating an online course regarding digital competency
6. E-alumni tab is displayed on website
7. Students are trained to use ERP of the university as entire communication regarding course, migration, examination, and results is through ERP of university.
8. Library is partially automated.
9. College magazine is in digital form.
