IQAC Report (2018 to 2023)

An Advisory committee plays a crucial role in guiding and advising on various aspects of institute's growth, especially in context of realisation of mission identified by the college. IQAC functions in maintaining and enhancing quality benchmarks in academic and administrative processes. Both the committees serve as a mechanism ensuring that institute meets and exceeds established quality standard as well as adapts national priority and policy matters into functioning.

Looking to the objectives of quality mechanism setup in the college, following quality initiatives have been practiced:

Year	Name of quality initiatives by IQAC / any other mechanism	Date/s of conducting the activity
