## Water Management and Conservation

### 1. Tanks/ bore wells

College has a water storage tank which is filled by the water supply from the main bore well which is owned by college management. College has planned to construct a separate bore well.

### 2. Economical usage/ reduced wastage

Slogans are prepared by students and placed near each water supply and washroom regarding economical usage of water.

## AGIAN ECO CLUB POLICY

## SENSITIZING SUSTAINABILITY

*[Signature]*

I/C Principal  
A. G. TEACHERS COLLEGE, CTE,  
AHMEDABAD

## Context:

17 SDGs were adopted by India, one of the 193 member states at UN summit in September 2015. Since then nation plays proactive role in satisfying SDGs. Formal education system has also shouldered responsibility to promote sound environmental behavior and make future generation understand the importance of “**Learning to live Sustainably**”

College has framed **AGian Eco-club** to encourage, empower ,participate and take up meaningful environmental activities for SDG -6 (Improve Clean Water and Sanitation), SDG -7(Grow Affordable and Clean Energy), SDG -13 (Organize Climate Action), SDG -14 (Develop Life Below Water), SDG- 15(Advance Life On Land).

## Objectives of AGian Eco club:

- Motivate the students to keep their surroundings green and clean by undertaking plantation of trees.
- Promote ethos of conservation of water by optimizing the use of water.
- Motivate students to imbibe habits and life style for minimum waste generation, source separation of waste and disposing the waste to the nearest storage point.
- Develop skills of observation, experimentation, survey, recording, analysis, reasoning needed for conserving environment through activities
- Organise seminars, debates, lectures and popular talks on environmental issues in the college to motivate the students to keep their surroundings green and clean.
- Organize tree plantation programmes, E-waste management and awareness programmes such as quiz, essay, painting competitions, rallies, Nukkad Natak (Street play) etc. regarding various environmental issues and educate children about re-use of waste material & preparation of products out of waste

  
I/C Principal  
A. G. TEACHERS COLLEGE, CTE,  
AHMEDABAD

- Campaign against use of loud speakers, motivate students not to use crackers and fireworks, recycling of glass and metals, use of unnecessary horns.
- Field visit to environmentally important sites including polluted and degraded sites, wildlife parks, etc.
- Beautify selected road side area with plants and flowers and put campaign boards to generate awareness.
- Any other innovative programme on environmental issues.

AGian Eco club in college will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum. While everyone, everywhere, asserts the importance of 'learning to live sustainably,' environment remains a peripheral issue in the formal education system. AGian Eco club in college will play an important role in creating environmental awareness amongst the future generation.

Title : CLIMATE CHANGE YOUTH OUTREACH FORTNIGHT PROGRAM

Total Participants : 65

A. G. Teachers College-CTE, Ahmedabad organized the "CLIMATE CHANGE YOUTH OUTREACH FORTNIGHT PROGRAM" under the aegis of climate change Department Gujarat, during Dt: 17-09-2022 to 30-09-2022.

Climate change has been a serious issue, and such outreach program is important to make trainees aware. Excellent posters, slogans were made by teacher trainees of A. G. Teachers College, Ahmedabad. Innovative ideas were collected from teacher trainees in the form of competition, followed by essay writing and elocution competition.

Total five Competitions were held as per the instructions given by the Climate Change Department Gujarat. 18 trainees participated in Slogan competition, 8 students participated for Innovative Ideas competition, 16 students were participated for Essay writing competitions, 4 teacher –students took part for Elocution and 19 trainees actively participated for Group Discussion competition. Teacher trainees with all there mind made the session successful.

The program was managed and coordinated by Dr. Rita Patel, coordinator of AGian Eco-club. Professors of A. G. Teachers College, Ahmedabad Dr. S. L. Solanki, Dr. R. M. Patel, Dr. D. A. Bumtaria and Dr. N. U. Dhodi were made judges for the different competitions. They did evaluation in justified way. Dr. K. H. Yadav (Offg. Principal) also guided and supported for this program.

Excellent photography was done by Romil and Riya Mehta. Captured events in videography by Akil. Apurva (report writing) and Chandni uploaded the photos on social media handles.

Coordinated by : Dr. N. U. Dhodi, Dr. D. A. Buntaria

Title : Drawing Competition on "Water and Life: Two sides of a coin"

Total Participants : 46

A. G. Teachers College, Ahmedabad organizes a drawing competition on 17<sup>th</sup> March, 2023 under the heading of "75<sup>th</sup> Azadi ka Amrut Mahotsav" a special initiative taken by government on the occasion of "World Water Day" (22<sup>nd</sup> March, 2023). This programme was organized by panchprakalp and AGian Science Club (VIPNET), A. G. Teachers College.

Student trainees of semester -2 & 4 participated enthusiastically. In advance instructions related to competition were given to trainees so that they can bring necessary things with them. College provided a drawing paper so that uniformity can be maintained. Total 46 Student trainees participated in the drawing competition.

This competition was coordinated by Dr. D. A. Buntaria and Dr. N. U. Dhodi. After completing the competition all the drawings were evaluated by the experts and decided top 3 Drawings.

Semester-2 student trainee Sharma Ekta get 1<sup>st</sup> rank, Shaikh Mohammedsamir ranked 2<sup>nd</sup> and Vasava Ganesh ranked 3<sup>rd</sup> in the competition. Monetary rewards also given to these students under the grant received from the government. E-Certificates given to all the participants.

Dr. K. H. Yadav (Offg. Principal) motivated all student trainees and appreciated their enthusiasm. All other staff members render their services as and when required during the programme. This type of programme spread a social message to the society that water is most important source of our life so we have to conserve and preserve it.

**Title : E-Waste Management**

**Total Participants :85**

**Vote of thanks : Dr. R. C. Patel**

A. G. Teachers College-CTE, Ahmedabad and We –The Recycling Company , Mumbai organized a webinar “Webinar on E-waste Management” on 9<sup>th</sup> December, 2021 from 12.00 to 1.15 p.m. MS Teams used for the webinar.

Dr. Payal Nandurkar, CEO, We –The Recycling Company , Mumbai was the session expert of the Webinar. With a wonderful PowerPoint Presentation, she exemplified environmental issues like E-waste, Evolution of e-waste management in India, Informal recycling, Health hazards, E-waste management etc. Trainees participated in the program by asking questions. At the end of the webinar they issued the e-certificates to all the participants.

Dr. K. H. Yadav (Offg. Principal, AGTC ) played an instrumental role in successful conduction of the webinar.

Dr. R. C. Patel, in charge Co-ordinator AGian Eco –club, delivered a welcome speech and anchored the same and proposed a vote of thanks. Photo and Video courtesy was done by Dr. D. A. Buntaria & uploaded on all platforms of social media by him. All staff members supported this webinar directly or indirectly.

## Report Writing

**Year: 2021-22**

**Date: 23/03/2022**

**Dept. : ECO Club & Science Club**

**Coordinated by : Dr. K. H. Yadav,**

**Dr. R.C. Patel, Dr. D. A. Bumtaria**

**Guest : Mr. Rushi Pathak**

**Title : Waking up to Climate Change**

**Total Participants : 56**

**Vote of thanks : Presha Chauhan**

A very informative program 'Waking up to climate change' was organized and conducted by AG Teachers college, Ahmedabad on 23<sup>rd</sup> March 2022 aiming at making the trainee teachers aware about the changing climate factors affecting the wildlife.

Mr. Rushi Pathak was our guest expert on wildlife who conducted this session, guided us, the trainee teachers of A.G Teachers college, our college was also the host for this programme and students from other B.Ed colleges of Ahmedabad also came to A.G Teachers college to attend this workshop.

The anchoring of programme was done very effectively by Presha Chauhan who along with Dr. K.H. Yadav green welcomed Mr.Rushi Pathak by giving them a plant, which is a tradition of eco club of A.G Teachers college. After a brief introduction of himself, Mr. Rushi Pathak went on to tell us how the wildlife is a primary indicator of climate change. Being an avid bird watcher himself, he correlated the climate change with how it impacts the aves and other wildlife.

He explained how Gujarat is becoming a home to migrating water birds that primarily depend on stagnant water bodies to hunt and survive. Thol lake in Ahmedabad which is a RAMSAR site is the primary site of nesting and migration of these birds. Here RAMSAR site refers to a wetland site designated to be of international importance under the 'RAMSAR CONVENTION ACT' an intergovernmental environmental treaty established in 1971 by UNESCO. After this our wildlife expert showed us various pictures and videos of different species of birds such as Flamingo, Pelicans, Ducks, Spoonbills and others. He narrated the lifestyle, food habits, mating patterns, nesting pattern of all these birds.

After giving us all this information our wildlife expert concluded the session by giving a short introduction of their organization 'RUSHI PATHAK WILDLIFER' which works for the welfare and rescue of endangered wildlife such as birds, black bucks and snakes.

Dr. K.H. Yadav played a prominent role in successful organization of such an informative session and hosting other colleges. Overall it was a wonderful programme for all the trainee teachers , DR. R.C Patel and Dr. D.A. Bumtaria handled the technical aspects of the programme very efficiently and aptly .

Special thanks to Bhavin Joshi and Vaishnavi pratishtha for making the fliers , Bhavin joshi and Dakshesh Patel for technical support , Presha Chauhan for anchoring , Paresh Nakum and Ghanshyam Yadav for videography and Photography , Priyanshi Shah and Malvi Suthar for handling the registration process for our guests.

56 participants were present during the session out of which 13 students were from 3 B.Ed. colleges of Ahmedabad.
