A.G. Teachers College, CTE, Ahmedabad organized a "Drama Workshop" on 24th September, 2021. Dr. K.H. Yadav gave a brief introduction about Ms. Shilpaben Thaker and introduced to us. A small token of love in the form of plant sampling was given to Ms. Shilpaben Thaker by Dr. K.H. Yadav. She made us comfortable by telling her experience in theatre and some acting skills one should have while performing street play. She made us perform some theatre activities through which we can make our body flexible and concentrate music to make our mind stable. She taught 3 main elements of street play in this workshop. Later we were divided into 6 groups and were guided by her for our respective topics. Through her guidance and support we performed our respective plays.

This workshop covered different aspects of acting ranging from movement, voice, props, improvisation and stage knowledge which was very important. Students were given creative freedom to improvise and come up with their own stories which made each and every student very creative about their topic. Everyone participated in given plays with great zeal and enthusiasm.

Dr. K.H. Yadav (I/C Principal) played a key role for successful organization of the programme. It was co-ordinated by Dr. R.C. Patel, Dr. G.S. Patel, Dr. R.M. Patel, Dr. N.U. Dhodi and Dr. S.L. Solanki engineered the program very well.

As a part of Institute visit in B.Ed. Sem-4 Syllabus and Field trip in B.Ed. Sem-2 Syllabus, Mathematics and Science trainees along with Dr. D. A. Bumtaria and Mr. Sahil Desai visited Institute for Plasma Research (IPR), Bhat, Gandhinagar.

They reached the place at 10 AM. The campus of IPR was very pleasant and eye catching. Mr. Narendrasinh Chauhan welcomed all.

The visit was systematically arranged starting with introductory session cum seminar by Mr. Ramesh Babu Gattu and Mr. Narendrasinh Chauhan (Scientists @ IPR) about what plasma actually means, how it is formed and applications of it. Students also got the opportunity to experience different ways of using plasma via various working models for better understanding the concepts of plasma.

Students also visited a laboratory of tokamak where the experiment on plasma are carried out by IPR. This academic visit is indeed a great learning exposure for all.

Dr. D. A. Bumtaria played a prime role for organizing the institute visit.

Title : Visit to L.D. Institute of Indology

Total Participants : 61

A. G. Teachers college arranged a visit at L. D. Institute of Indology on 15th March 2023. Interns of M.Ed. (Gujarat University) managed and guided the whole visit. The Lalbhai Dalpatbhai Institute of Indology is a unique institution that is dedicated to the preservation, restoration and collection of ancient Indian manuscripts and artifacts. It provides scholars a wonderful opportunity for research and study. Agamprabhakar Muni Shri Punyavijayji Maharaja, besides being a revered Jain saint, was an erudite scholar and a dedicated researcher. He made it his life's mission to ensure that the priceless heritage of manuscripts was properly preserved, studied and made available to the scholars. The top view of the building is of the shape of boat. The whole building is only made of concrete. Not even a single brick is used in construction which gives us the view of engineering marvel. The library consists of a large number of books out of which 5000 books are the rarest books which are not available anywhere. The books are available in 18+ language. 40% of the books available there are religious books. More over trainees also got a chance to have a look of tad patri (palm leaf), Tamra patri (copper plates). Inscription by liquid gold as ink was eye witnessed. The overall Visit was indeed a learning experience. Photography was done by Romil (Sem-2) and Mrunali (Sem-4). Report writing was done by Apurva (Sem-2).
